Examiner's Statement of Reasons for Allowance

1. Claims 28-39 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The prior art made of record fails to anticipate or make obvious the claimed invention. Specifically, the prior art fails to teach, in combination with the remaining elements as recited in claim 28:

The present invention is directed to an antenna device having ultra wide bandwidth characteristics.

Regarding claim 28 Prior Art fail to specifically teach that a ground element having a cutout section with an inner circumference, the inner circumference having a first shape; and a driven element with an outer circumference having a second shape, the driven element being smaller in size than the cutout section and being situated within the cutout section to define a clearance area between the driven element and the ground element; wherein the first shape is a first simple closed curve having no cusps, including a plurality of first concave portions and plurality of first convex portions, wherein the second shape is a second simple closed curve having no cusps, including a plurality of second concave portions and a plurality of second convex portions.

Claims 29-39 are allowed for depending on claim 28.

Art Unit: 2821

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
